

16thJUNE2026

JIYA ARORA 24BAI10034

I created a session as SESSION001 and gave it two games

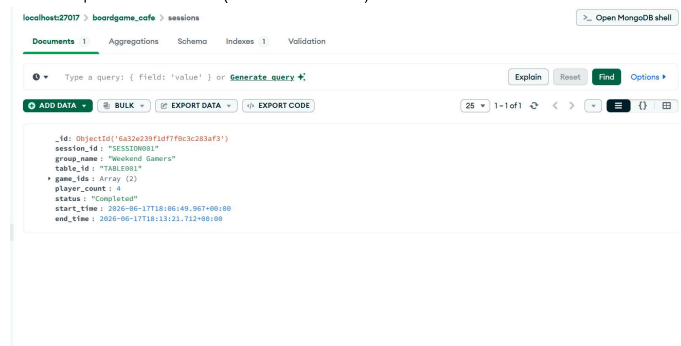

The screenshot shows the MongoDB Compass interface. The breadcrumb navigation is 'localhost:27017 > boardgame_cafe > games'. The 'Documents' tab is active, displaying two documents from the 'games' collection. Both documents have a 'game_id' of 'GAME002' and a 'category_id' of 'CAT001'. The first document has 'min_players: 3' and 'max_players: 4', while the second has 'min_players: 2' and 'max_players: 2'. Both have a status of 'Being Played'.

```
{ "_id": ObjectId("6a3b3449f1d7f78c3c283aef"), "game_id": "GAME002", "name": "Catam", "category_id": "CAT001", "min_players": 3, "max_players": 4, "status": "Being Played" }
```

```
{ "_id": ObjectId("6a3b3459f1d7f78c3c283afe"), "game_id": "GAME002", "name": "Chess", "category_id": "CAT001", "min_players": 2, "max_players": 2, "status": "Being Played" }
```

then i completed that session (ended that session)

The screenshot shows the MongoDB Compass interface with the breadcrumb navigation 'localhost:27017 > boardgame_cafe > sessions'. The 'Documents' tab is active, displaying a single document from the 'sessions' collection. The document has a 'session_id' of 'SESSION001', a 'group_name' of 'Newfound Gamers', and a 'table_id' of 'TABLE001'. It lists two 'game_ids' and a 'player_count' of 4. The status is 'Completed', and it includes 'start_time' and 'end_time' fields.

```
{ "_id": ObjectId("6a326239f1d7f78c3c283af3"), "session_id": "SESSION001", "group_name": "Newfound Gamers", "table_id": "TABLE001", "game_ids": Array (2), "player_count": 4, "status": "Completed", "start_time": 2026-06-17T18:06:49.967+00:00, "end_time": 2026-06-17T18:13:21.712+00:00 }
```

Now the games that were occupied are free
